

EARNING MONEY

If you're not old enough to get a job, you can talk to your family or neighbors about ways to make money by doing chores for them. But remember, not everything you do around the house will earn you money.

Circle the activities below that could be done to help you earn money.

THIS IS WALTER WISER. He's our money know-it-all and he's here to teach you about money.

COIN CATERPILLAR

It's important to understand how earning money works and to be able to calculate how much money you're earning if you're doing chores or working at a job. Knowing the values of the different coins can help you count exactly how much money you've made! To help build these skills, create a coin caterpillar.

HAVE AN ADULT HELP YOU FIND THE FOLLOWING SUPPLIES:

- Paper and pencil
- 5-6 different coins
- Markers

MAKE A COIN CATERPILLAR

- Grab a handful of 5-6 different coins from around the house.
- Lay the coins on a piece of paper in a long line to make the body of the caterpillar.
- Use markers to draw the caterpillar's face.
- Calculate on paper how much money makes up the caterpillar.
- Grab another group of coins and make a second caterpillar to practice your math!

ANSWERS: Making the bed, taking out the trash, raking leaves, doing dishes, folding laundry, planting flowers.
